The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. Please read the PSHB Plan brochure (71-019) that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the PSHB Plan brochure**. Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the PSHB Plan brochure at www.apwuhp.com , and view the Glossary at www.apwuhp.com . You can call 1-800-222-2798 to request a copy of either document. Important Questions	Answers		Why This Matters:
What is the overall deductible?	**In-Network:** $450 /Self Only $800 /Self Plus One $800 /Self Plus Family	**Out-of-Network:** $1,000 /Self Only $2,000 /Self Plus One $2,000 /Self Plus Family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes: Preventive services, office visits, virtual visits, urgent care, prescription drugs, maternity, some lab work, hearing aids, chiropractic care and acupuncture.		This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. "For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.		You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	**In-Network:** $6,500 /Self Only $13,000 /Self Plus Family	**Out-of-Network:** $12,000 /Self Only $24,000 /Self Plus Family	The out-of-pocket limit, or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, non-covered services and balanced billed charges, $300 copayment for non-PPO hospitals		Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. See www.apwuhp.com/our-plans/see-provider-networks/ or call 800-222-2798 for a list of network providers		This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference

		between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
